

Native Bird Cards

In celebration of the beautiful native birds that are already at home in Orokonui Ecosanctuary we are offering cards made from original paintings by Geraldine artist, Peter Caley. Proceeds from the sale of these cards will contribute to the Sanctuary's forest restoration programme.

From top left: bellbird, fantail, wood pigeon, rifleman, tomtit, tui, silvereye and at right the back of each card.

Orokonui Native Bird Card Order Form
